Indonesian Journal of Islamic Early Childhood Education  
Volume 1, Number 1, December 2016

Indonesian Journal of Islamic Early Childhood Education (IJIECE) is a scientific periodical journals that managed by peer-review, in which other scientists (peer-review) evaluate the article's value and credibility before published. The journal is dedicated to publish scientific articles in the study of Islamic early childhood education from different aspects and perspectives as well as the themes that have been determined. IJIECE aims to become one of the forums for ideas and results of researches dissemination in the field of Islamic education for early childhood. In addition, it also can be a major reference in the same field. This journal is available in print and online, and published twice a year, in June and December.
